***Subject: Revision to Amendment #10 (Administrative Amendment) to the FY 2004/05 through 2009/10 Council of Fresno County Governments FTIP***

Mr. Bagde:

The Executive Director of the Council of Fresno County Governments Policy Board hereby approves the following revision to Amendment #10 (Administrative Amendment) to the *FY 2004/05 through 2009/2010 Federal Transportation Improvement Program (FTIP)*. Below are the specified changes to the FTIP in total dollars:

City of Orange Cove, CTIPS ID 203-0000-0238: Change to the *Regional Surface Transportation Program (RSTP)*. The lead for this project has been changed from the City of Orange Cove to the County of Fresno. Additionally, \$48,500 total dollars programmed for preliminary engineering phase funding in FFY 04/05 have been moved to construction phase funding in FFY 05/06. The County of Fresno is adding \$4,000 local dollars into preliminary engineering phase funding in FFY 05/06. The decrease in total funding for preliminary engineering will not have an impact on completion of this phase.

We will be updating the California Transportation Improvement Program System (CTIPS) to reflect the corrections to this amendment. If you should have any questions or comments, please feel free to call Renee DeVere or Les Beshears at (559) 233-4148.

Sincerely,

Mr. Bagde:

The Executive Director of the Council of Fresno County Governments Policy Board hereby approves Amendment #10 (Administrative Amendment) to the FY 2004/05 through 2009/2010 Federal Transportation Improvement Program (FTIP). Below are the specified changes to the FTIP in total dollars:

The programmed amount of \$14,200 for preliminary phase funding has been increased to \$22,600 and the programmed amount of \$126,800 for construction engineering has been decrease to \$118,400. The increase is a result of moving \$8,400 from construction phase funding to preliminary engineering phase funding. The lead for this project has been changed from the City of Orange Cove to the County of Fresno. It should be noted that the projects contained within this amendment do not require a re-determination of the air quality conformity analysis and are exempt from conformity as per CFR Section 93.126.

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Amendments are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Amendments are used in lieu of standard FTIP Amendments, and as such, are not subject to Federal and Stated approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Amendment has taken place. We will be updating the California Transportation Improvement Program System (CTIPS) to reflect this amendment. If you should have any questions or comments, please feel free to call Renee DeVere or Les Beshears at (559) 233-4148.
